AUCTIONEER: Tom Sherlock, Oxford, Iowa

TRANSPORTATION—We will be glad to meet any planes at either the Waterloo, Iowa or Des Moines, Iowa Airports. Light planes may land at Eldora. Please give us notification in advance. Ozark is the main line to Waterloo and Des Moines is served by most airlines.

SALE HEADQUARTERS—There are many good motels in Marshalltown. We suggest The Thunderbird Motel at 2009 S. Center Street, just North of Highway 30. Phone 515/752-3631. There are also a few rooms at the Pine Lake Motel, Eldora. We will be happy to make reservations for you.

TERMS—The terms of the sale are cash.

GUARANTEE—All cattle will sell under the Standard Guarantee endorsed by the American Shorthorn Association found elsewhere in this catalog. All bulls have been semen checked and certificates will be available sale day.

HEALTH—All cattle will be sold with health papers that will enable them to go anywhere. Interstate health certificates will be furnished.

LIABILITY—Although every precaution will be exercised to protect the safety and comfort of those attending, neither the owners of the cattle selling nor any of their representatives, nor auctioneer, clerks, or any other affiliated personnel can assume any liability for accidents.

LUNCH—Pit barbecued beef will be available at noon.

MAIL BIDS may be sent to the following Representatives: Sherman Berg, American Shorthorn Assn., 8288 Hascall, Omaha; Wade Hauser, Wallaces Farmer, Des Moines, Iowa; Gene McDonald, The Shorthorn World and Gene Fitzgerald, The Drovers Journal.

Phone Sale Day — Mar Da D's Farm — Union 515/486-5361

BREEDING DATES—Announcements from the auction block on sale day regarding breeding dates are final and will take precedence over the data in the catalog.

We invite you to come early to inspect the cattle, and to be our guests at a social hour and buffet supper on Sunday evening, October 3 in our home.

Doug, Dennis, David, Duane, Dan, Dean

Welcome to MAR DA D'S

It is with great pleasure that we invite you to attend our First Shorthorn Production Sale. Shorthorns have been a part of our family since 1897, and since 1948 here at MAR DA D'S.

In the past 20 some years we have increased our herd to over 200 head. It has now reached the point where it is wise to share the breeding of our Certified Meat Sire, Colomeadow Sting Ray, with others. Our help has been cut with Doug and Dennis both being called to service this year, and Dave going to college this fall.

We will, however, have a large number of Shorthorns left in the herd and will continue to breed the right kind of Shorthorns.

It is very difficult to decide which cattle to sell in a Production Sale. We are offering a cross section of the cow herd, with few exceptions. Either the dam or daughter, or daughters are retained in the herd. The cattle will not be overfitted. All bulls have been semen checked and evaluated. Visitors say "There's a barn full of well muscled bulls." We think these will satisfy the most critical buyer. Dozens of "Sting Ray" bulls now in use have proved their improving ability.

With few exceptions, the entire herd is home raised, as shown in the uniformity of the herd. H W Napoleon 5th has proven to be an outstanding sire of the modern type cattle. Through the addition of the last son of T P S Coronet Leader 10th, we are infusing a polled line in our herd to meet the needs of our customers wishing polled breeding.

Why not make it a SHORTHORN WEEK END by attending the Central States Shorthorn and Polled Shorthorn Sale at Oskaloosa, Iowa on October 2, and then being our guest on Sunday, October 3 for an inspection of the cattle, a buffet supper that evening and attend our sale on the 4th. We are looking forward to seeing you on or before the 4th of October. It is our sincere wish to be of service to you here at Mar Da D's and make you feel welcome. Please let us know how we can help you.

Thank You.

The Dale E. Petty Family

Standard Guarantee

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bang's Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

COLOMEADOW STING RAY — The breed's first "Certified Meat Sire." He was Grand Champion at the 1963 Wyoming State Fair and set a record price when we purchased him for \$5600 in the 1964 Western Association Sale. Armour & Co. purchased a one-half interest in this outstanding bull from us and did much progeny testing. His sons have done well and have been accepted near and far. Probably his most known son is Mar Da D's Bell, who was purchased by Curtiss Breeding Service for \$10,000. A newspaper once said, "Sting Ray" had a history more interesting than most people. He has left his mark in the Shorthorn industry.
